shirbaddisha@gmail.com | +91 8010360211 | Nagpur, Maharashtra | LinkedIn

## SUMMARY

Entry-level Software Development Engineer skilled in Java, Spring Boot, React.js, and MySQL. Experienced in building full-stack applications like a Virtual Blood Bank system and a Job Recruitment Portal, with expertise in RESTful APIs, authentication, and database management.

## SKILLS

**Programming Languages:** C, Core Java, JavaScript  
**Frontend:** HTML, CSS, React.js, JSP  
**Backend / Frameworks / APIs:** Spring Boot, Spring MVC, RESTful APIs, Servlets  
**Database:** MySQL  
**Version Control:** GitHub  
**Concepts:** OOPS, SDLC, Cloud Computing Fundamentals  
**Tools:** Figma, Swagger API  
**Soft Skills:** Time Management, Adaptability, Problem Solving, Team Collaboration

## EXPERIENCE

### Java Developer Intern | Softtronix Software Services Pvt. Ltd, Nagpur | June 2024 – Oct 2024

- Developed and tested RESTful APIs using Spring Boot integrated with frontend modules.
- Worked on MySQL database design, query optimization, and data handling.
- Assisted in debugging, code reviews, and feature enhancements to improve application functionality.

## PROJECTS

### Virtual Blood Bank System | Spring Boot, MySQL, HTML, CSS, JavaScript

- Built a full-stack application for donor registration, blood inventory, and hospital blood requests.
- Implemented a secure web portal for donors to register and check blood availability.
- Designed and managed a centralized database for donor records and blood inventory.

### Job Recruitment Portal | React.js, Spring Boot, MySQL, Swagger API

- Developed a job portal with search, filtering, application tracking, and bookmarking features.
- Implemented authentication and employer job management for secure role-based access.
- Designed an Admin Dashboard with analytics using React Charts to monitor users, jobs, and applications.

## EDUCATION

**Bachelor of Vocation: Software Development | St. Vincent Pallotti College of Engineering & Technology** 2025  
CGPA: 9.01 / 10

**Higher Secondary Certification | Nirala Junior College** 2021  
Percentage: 89.50%

**Secondary School Certificate | Adarsh Vidya Mandir** 2019  
Percentage: 85.20%

## CERTIFICATES & ACHIEVEMENTS

- NASSCOM – National Association of Software and Service Companies (IT-ITes): Software Developer, Web Developer, Test Engineer, Application Developer
- 1st Position – Codetronics (Technosav'23 competition)
- Event Coordinator – Aptithon (Technosav'23 technical event)
