PROFESSIONAL SUMMARY

Java Developer with about 10 months of internship and trainee experience building REST APIs and full-stack applications with Spring Boot, Hibernate, MySQL and React.js. Cut a production API's response time by 80%, built 10+ REST APIs and launched two live websites. Seeking a Software Engineer or Java Developer role.

TECHNICAL SKILLS

Programming Languages: Java, SQL, JavaScript, TypeScript, Python, C
Backend and APIs: Spring Boot, Spring MVC, Hibernate/JPA, Spring Security, JWT, REST APIs, Servlets, JSP, Microservices
Database: MySQL, SQL queries, indexing and query optimization
Frontend: React.js, Next.js, HTML, CSS, Tailwind CSS
Core Concepts: OOP, Design Patterns, Data Structures and Algorithms, SDLC, Agile
Tools and Technologies: Git, GitHub, Maven, Postman, Swagger, Google Search Console, Google Analytics, Figma, AWS (EC2, S3), Claude Code

PROFESSIONAL EXPERIENCE

Trainee Consultant, Java Developer
Informatrix IT Solutions Pvt. Ltd., Nagpur | April 2026 - Present

- Develop backend modules and REST APIs on a 3-tier Java architecture (Servlets, JSP, Hibernate/JPA) with Spring Boot and Spring MVC.
- Built alexindia.in and feronixpaints.com (the brand's first website) end-to-end with Next.js, React and Node.js.
- Optimize SEO for both sites using Google Search Console and Google Analytics.
- Test and debug APIs with Postman, take part in code reviews, and work in Agile with Git.

Java Developer Intern
Softtronix Software Services Pvt. Ltd., Nagpur | June 2024 - October 2024

- Fixed a production performance issue with SQL query optimization and indexing, cutting response time by 80% (about 400 ms to under 80 ms).
- Developed 10+ RESTful APIs using Java and Spring Boot with a modular service-based architecture.
- Built a full-stack Virtual Blood Bank System (React.js front end, Spring Boot back end, Maven) with role-based access control.
- Designed and optimized MySQL schemas, tested APIs with Postman and Swagger, and joined code reviews using Git and GitHub.

PROJECTS

Secure Banking Transaction System | Java, Spring Boot, Spring Security, JWT, MySQL, Hibernate

- Built a Spring Boot banking backend with 14 REST APIs: authentication, accounts, deposits, withdrawals, transfers, transaction history, payments.
- Secured with JWT, Spring Security and BCrypt hashing; added rule-based fraud detection for large and rapid repeated transfers.
- Automated 2% cashback with a Spring Scheduler job; layered Controller-Service-Repository design, centralized exception handling, top-spenders analytics API. Code: github.com/Shirbad/Secure_banking_System

Feronix Paints Website (Live) | Next.js, React.js, Node.js, Tailwind CSS, SEO

- Built and launched the brand's first website end-to-end: 11 product pages, blog, dealer registration, WhatsApp click-to-chat, and ongoing SEO with Google Search Console and Analytics. Live: feronixpaints.com

Alex India Website (Live) | Next.js, React.js, TypeScript, Tailwind CSS, SEO

- Built a responsive website for an anti-corrosive paint manufacturer: product catalog and pages, About and Contact pages, and SEO setup (meta tags, Open Graph, canonical URLs). Live: alexindia.in

Virtual Blood Bank System | React.js, Spring Boot, MySQL, Maven

- Built a full-stack blood bank management system for donor registration, blood inventory tracking and hospital requests, with role-based access control.

Job Portal | React.js, Spring Boot, MySQL, Swagger

- Built a job portal with search, filtering, application tracking, bookmarking, role-based authentication, employer job management and a React Charts admin dashboard.

EDUCATION

Bachelor of Vocation: Software Development | 2025 | CGPA: 9.01 / 10
St. Vincent Pallotti College of Engineering & Technology
Higher Secondary: Nirala Junior College, 2021, 89.50% | **Secondary:** Adarsh Vidya Mandir, 2019, 85.20%

CERTIFICATIONS AND ACHIEVEMENTS

- NASSCOM certifications: Software Developer, Web Developer, Test Engineer, Application Developer.
- 1st Position, Codetronics coding competition, and Event Coordinator, Aptithon technical event (Technosav'23).
